Remembrance

Kelsey Davis

November unfolds, subtly and quietly, maybe almost forgotten. The two seasons sandwiching it somehow take up all our energy and time. So, when the last real month of autumn shows, we begin to look forward to December. We look forward to the end of the year, a new year, "a new me". But what if November was the best of the months? Sure, everyone loves summer. Sure, people delight in the holidays of tomorrow and the planning from yesterday. But what about November? It is our season to reflect, as if light on the surface of water. To be thankful. You've lived another year, and you're so quick to wish the next has begun. Sit for a while, smell the autumn air, and remember. Remember how just a few months ago you were a grade below. Remember how just a few months ago you didn't know as much as you do now. Remember who you were, and be grateful for whom you've become. Make it a habit. Trail your gratefulness into winter, spring, and summer. Yes, November is the best month of all. It may not be warm or eventful, but it's the time to count blessings and know that you are coming so far. You've come so far.

ACADEMIC ADVISING NOTES

Juniors and Parents of Juniors:

- **SAVE THE DATE**. The **Junior and Parent College Night** is planned for ***Thursday, January 14, 2027*** from **6:30pm – 8:00pm**. Main topics that will be discussed – college searches, college admissions, and financial aid. This is a mandatory meeting for all Towle *full-time* junior families.

- **A friendly reminder**: It is expected that you have at least one set of standardized scores under your belt in preparation for next year's college application process. Better yet, take *both* the SATs and ACTs in the spring to determine which test suits you best. You can retake the "better fitting" test in the fall of your senior year. If you are going to take the **SATs** or the **ACTs**, please use the School Code (aka CEEB) of **080071,** so Towle can receive a copy of the score report. These scores, however, are NOT automatically printed onto your transcript. For that, you must give written permission.
