Standardized testing

Looking for a way to have your upper elementary/junior high students take standardized testing? Towle Institute is now offering seats to students **fourth through eighth grade** to take the CTB/McGraw-Hill *Terra Nova* CAT6 test. 3rd ed. Testing dates are June 6th and 7th, Monday and Tuesday. The cost is \$40 per student.

If you are interested, please fill out the following form and send with accompanying payment made payable to: Towle Institute, P.O. Box 580, Hockessin, DE 19707. In order to ensure adequate tests and adequate space, you will need to enroll your child/children by **May 9, 2011**. If your form and payment are not received by this date, we cannot guarantee an available test for your child. There will be no registration at the door on the day of testing.

Once registered, you will receive follow-up information/directions closer to the time of testing. Should you have any further questions, please contact Leeza Kaliakin, Testing Coordinator, at leezakal@udel.edu or if necessary, at (610) 274-2247.
