Returning students please be certain to read the course descriptions for every course you choose as the courses may be altered from previous years.

To aid you in choosing your child's classes, please use the Guidance in Course Selection for high school students and the Suggested Course Selections for middle school students. **Fill out one Class Registration Form per child attending Towle.**

It is recommended that full time High School students take 6 classes but they may take up to 7. High School courses designated as Honors require teacher's approval. Full time Middle School students may only take up to 6 classes (only one elective).

At the bottom of your Class Registration Form, please indicate your elective choices. **Be sure to read through the course descriptions before registering.** Do not register for an elective in which you have no intention of remaining. Choose only those electives you are committed to taking. Rank them in order of preference with #1 next to your first choice, #2 for your second choice, etc. ***Please note: Electives will be assigned on a first come, first served basis. If more than the allotted number of students registers at the same time, priority will be given to the upper grades in both Junior and Senior High electives.***

Please return your class registration forms by Monday, July 7, to P.O. Box 580, Hockessin, DE 19707. We reserve the right to cancel classes with fewer than 8 students but will make an effort to keep all classes available.
